A nominee must be at least 10 years removed from his/her high school graduation and meet, at the sole discretion of the Board, at least two of the following selection attributes:

- 1. Academic-** The nominee will have achieved a level of academic excellence as a student or instructor. Excellence is defined as a significant contribution or achievement that clearly demonstrates the nominee's dedication and passion for learning or teaching.
- 2. Athletic-** Excellence in athletic skill and sportsmanship are inseparable in determining the sum total of a nominee's athletic accomplishments. Excellence is determinable on many levels but is uniquely judged as greatly exceeding consensus expectations.
- 3. Community Involvement-** Volunteerism is at the heart of community involvement and further defined as unselfishly giving of one's time for the

betterment of a community-orientated cause. A community- orientated cause is understood to represent any effort, through the individual or a group, designed to improve the lives of its members.

4. **Artistic/Creative**- A nominee’s artistic contributions include all forms of artistic expression including but not limited to visual, theater, written & musical accomplishments where the nominee’s work has made a significant contribution to its audience.
5. **Professional**- A nominee’s accomplishments in a chosen profession (excluding Academics and Athletics) will be reviewed in the context of achieving extraordinary results for the benefit of a project, company, group or cause.
6. **Eagle Spirit**-Eagles represent a diverse group of people take risks, set goals and break records. The nominee may have come from and/or graduated from other high schools but consistently exemplifies these qualities while “waving the red & white” and promoting the tradition of the Edgewater Eagles to live on.

Hall of Fame members will be selected by a review committee and will be notified on or before November 30, 2017. The Edgewater High School Hall of Fame Induction and Ceremony will be held in April of 2018 to honor the 2018 EHS Hall of Fame class.
